

**Special Offer!**

# Free Every Child Matters Survey

## Can you show Every Child Matters at your school?

- 1. Do you encourage your pupils to be healthy?
- 2. Do your pupils feel safe in school and take responsibility for their behaviour?
- 3. Do your pupils enjoy their time at school and what would they change?
- 4. Do your pupils make a positive contribution to the local community?
- 5. Do you encourage and develop skills and personal qualities necessary in later life?

**Use QDP's ECM survey to show how your school supports the five key ECM outcomes... Book your free survey now!**

**Please speak to one of the QDP team for more information... or call us on 01625 501 917**

## QDP's FREE Every Child Matters survey offer

QDP are specialists in delivering Questionnaire based feedback services to the education and skills sector and we want to showcase our products in Schools. We think the best way to demonstrate the value of our products is for you to use them! So we are offering all schools the chance to run our ECM survey **FREE** of charge!

- QDP will run an Every Child Matters survey across your whole school completely **FREE** of charge - we promise it will not cost you a penny!\*
- We will process and analyse all completed questionnaires and deliver a set of comprehensive reports to your school.
- We will run a **FREE** reports training session at your school to ensure you get the most value from the report data.

If you want to find out what your pupils think of their learning experience and you want independent, robust data you can trust when planning - try QDP's free survey and see the value for yourself.

***Don't miss out - analyse your strengths, identify areas for improvement and get to the heart of Every Child's needs.***

***Book your **FREE** survey now!***
