Quartile, Rated, Questionnaire order
External Benchmark (474,009 respondents from 140 providers)
All Respondents {All Data}
1465

Description of chosen sample be it All Respondents, school, course, site, gender, age etc. Difference, sample details and the title of the survey.

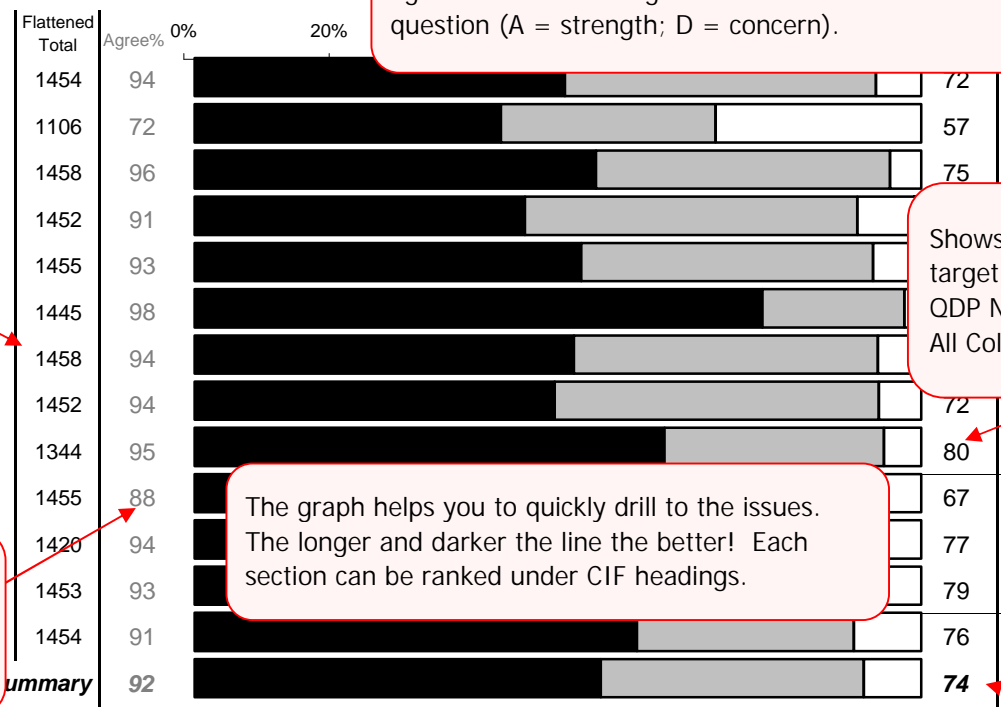

Your Logo

Shows strengths and areas of concern of your College against all other Colleges who have asked the same question (A = strength; D = concern).

Teaching and Learning

1 I am learning at the right pace for me
2 If I am absent College contacts me or my home
3 The teaching on my course is good
4 My lessons are varied and interesting
5 Learning materials are clear and useful
6 Learning materials are easy to use
7 Practical/workshop activities are useful
8 Teachers check that I understand things
9 I am learning at the right pace for me
10 I am learning at the right pace for me

Shows the Difference from your chosen target group, e.g. All respondents from QDP National Benchmark, School from All College, Course from School etc.

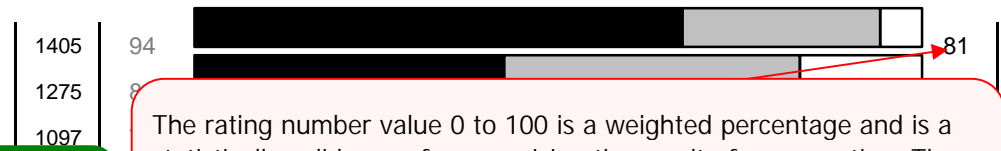

Shows the actual number of respondents answering the question, the flattened total. Enables you to judge the reliability of the result.

Shows the total of "Agree Completely" & "Agree Mostly" as a %. Provides you with a range of scores from the "Rating" to "% of Agreement".

The graph helps you to quickly drill to the issues. The longer and darker the line the better! Each section can be ranked under CIF headings.

Resources

14 IT is used to help me learn
15 Library and Learner Centre meets my needs
16 The IT Help Desk meets my needs

Summary for each section heading.

The rating number value 0 to 100 is a weighted percentage and is a statistically valid way of summarising the result of any question. They are ideal for comparison, internal & external benchmarking. They also act as a target tracking distance travelled year on year.
